Remarks: This certificate of conformity based on the evaluation of a sample of the above mentioned products. It does not imply an assessment of the mass-production of the product. The certificate holder may use this certificate in connection with the test report. The certification body should be informed (revision of technical file) for any modification or alterations made to the aforementioned product type(s), including design and manufacture and/or extension to the existing scope of application. The manufacturer is allowed to affix the RoHS to the products under its own responsibility, if the products are complied with all relevant and effective European directives. The manufacturer is responsible for the product and ensuring that all manufactured products are in compliance with the specifications declared in the technical construction file.

This document is issued by the company subject to its general Terms & Conditions of Business for certification services assessable at www.cdgcertification.com. After due date of surveillance audit if organization fails to produce certificate continuation letter, this certificate should be treated as cancelled. Attention is drawn to the limitation of liability, indemnification and jurisdictional issues established therein. The authenticity of this document may be verified at http://www.cdgcertification.com/Client_register.aspx. Any unauthorised alteration, forgery or falsification of the content or appearance of this document is unlawful and offenders may be prosecuted to the fullest extent of the law. Whilst all due care and skill was exercised in carrying out this assessment, CDG Certification Limited accepts responsibility only for proven gross negligence. This certificate remains property of CDG Certification Limited to whom it must be returned upon request.
